WARRANT FOR THE ANNUAL TOWN MEETING

State of New Hampshire

(L. S.)

To the Inhabitants of the Town of Canterbury in the County of Merrimack in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at the Town Hall in said Canterbury on Tuesday, the 10th day of March next at Twelve of the clock in the forenoon to act upon the following subjects:

(Polls open from 12:00 a. m. to 7:00 p. m.)

1. To choose all necessary Town Officers for the year ensuing by ballot.

2. To see if the Town will authorize the Board of Selectmen to use a portion of anticipated income of the Sam Lake Trust Fund, as may be acceptable to the Trustees to build a new Town Garage. Also authorizing the Selectmen to issue notes in the name of the town, said notes not to exceed $35,000.00 to be paid from income of the Sam W. Lake Fund by ballot.

MEET AT EIGHT OF THE CLOCK IN THE EVENING TO ACT ON THE REST OF THE ARTICLES IN THE WARRANT.

3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

4. To see if the town will vote to give the Selectmen authority to borrow money in anticipation of taxes.

5. To see if the town will authorize the Board of Selectmen to sell, lease or otherwise transfer real estate property acquired by the town by Tax Collector's deed in a manner for the best interest of the town.

6. To see if the town will authorize the Selectmen to trade the present grader for a new grader; also authorizing the Selectmen to issue notes in the name of the town, said notes not to exceed $8,500.00 to be repaid at the rate of $2,000.00 per year and also authorizing the Trustees of the Trust Fund to release to the Selectmen the sum of $14,075.33 from the Highway Equipment Reserve for the purchase of a new highway grader.

7. (a) To see if the town will raise and appropriate the sum not to exceed $4,000.00 for the purchase of a new truck for the Highway Department.

(b) To see if the town will authorize the Trustees of the Trust Funds to release the sum of $2,000.00 from the Capital Reserve Highway Truck Fund to the Selectmen for the purchase of a new truck.

8. To see if the town will vote to appropriate the sum not to exceed $9,500.00 from the Highway Bridge Fund for the purchase of a Highway loader.

9. In the event that Article #8 is not accepted by the town, to see if the town will vote to set aside the Bridge Fund of $9,528.39 referred to in Article #8 in the Capital Reserve Fund for new highway equipment.

10. To see if the town will establish a Town Conservation Commission as set forth in R.S.A. 36-a. and that the Selectmen appoint said Commission within thirty (30) days from the date of the annual meeting and that a temporary chairman be appointed to call the first meeting of the Commission.

11. To see if the town will vote to authorize the Selectmen to borrow the sum of fifteen hundred dollars ($1,500.00) to help defray the cost of preparing a comprehensive long-range town plan by the Planning Board, said borrowing to be repaid in three equal annual installments of $500.00 each, without interest.

12. To see if the town will vote to raise and appropriate the sum of $412.00 for the purpose of paying the town's share of the 1970 budget of the Central New Hampshire Planning Commission.

13. To see if the town wishes to exclude from the plan service in any class or classes or positions of election officials or election workers for a calendar quarter in which the renumeration paid for such service is less than $50.00.

14. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this February 23, 1970.

CEMETERY COMMISSIONERS' REPORT
1969

In the Spring of 1969 a program of Cemetery Improvement was started in several of the cemeteries. An assortment of flowering and evergreen shrubs were purchased and planted along the Parsonage boundary at Maple Grove Cemetery. The shrubs will form an attractive hedge as well as completing the enclosure of the cemetery as required by law. A double row of Fir Balsam trees were also planted to screen off the ungraded area. Lime and fertilizer were applied to most of the cemeteries and a program of Poison Ivy eradication was started and is to be continued in the spring. The Highway Department set out several young Maple trees along the Center Cemetery Wall as replacements for trees that appear to be dying.

It has been suggested that members of the various organizations active in Community Beautification have a joint meeting to formulate plans for further plantings of Town, Church, School and Cemetery areas. This sounds like an excellent suggestion. We hope further action along this line will be taken and we will be most happy to co-operate with all interested groups.

REPORT OF THE CANTERBURY FUND

The 1969 Canterbury Fair was the most successful fair ever held in Canterbury and the Trustees of the Canterbury Fund wish to express their appreciation to the many residents who gave generously of their time and effort. As a result of the fair's success, the Fair Committee was able to donate $2,000.00 to the Canterbury Fund to bring the total from this source to $6,750.00 during the past four years.

The accounting for 1969 is as follows:

Balance in banks, December 31, 1968		$5,270.22
Interest Received	$ 238.52	
Donation — Fair Committee	2,000.00	
		2,238.52
Balance in banks, December 31, 1969		$7,508.74

No requests for financial aid were received during the year but a grant loan of $280.00 has been made on recommendation of the Loan Committee since the close of 1969.

The power of the Trustees to make grant loans was detailed in the 1968 report and such grants are made only on the recommendation of the Loan Committee which is made up of representatives from the leading Canterbury organizations. Members of the Loan Committee at present are:

Mrs. Sargent Goodhue — Deaconess, Community Church
Mrs. Robert J. Hill — Ladies Benevolent Society
Mrs. R. Peter Klein — Parent-Teachers Association
Robert V. Lee — Volunteer Fire Department
Mrs. James W. Lilly — Women's Club
Charles H. Smith — Deacon, Community Church

Applications for aid may be made confidentially to any member of the Loan Committee, to the minister of the Church or to any Trustee.

The Fund will again share in the profits of the Canterbury Fair which will be held on July 25, 1970. The Trustees hope that everyone will again assist in making the Fair a success and so continue building up this emergency relief fund for Canterbury residents who meet with misfortune.

ELKINS PUBLIC LIBRARY TRUSTEES' REPORT
1969

Again, a year of change and improvement at Elkins Library. After several years of prodigious work by many townspeople, at last all books are cataloged — quite an accomplishment for a library with the scope of Elkins in a town the size of Canterbury, but you are all well familiar with that old Canterbury volunteer spirit. This milestone means that in the very near future — as soon as a group of filing volunteers completes its work in the next week or so — anyone will be able to determine what literature on a specific subject or by a specific author is available in our library, simply by use of our card catalog. Our school program for the last two years has stressed use of the card catalog, and study of the Dewey Decimal System has been encouraged as low as fourth grade. Elkins library has been cooperating with Canterbury Elementary School in an attempt to send our children to high school with a working knowledge of a public library; it is our theory that the sooner this becomes routine in a pupil's store of knowledge, the better.

We hope Elkins Library's fine collection is duly acknowledged and appreciated. Our non-fiction and reference collection is unusually complete for that of such a small community — in no small part due to consistent gifts from Marion Rudkin, who donates a large number of adult fiction and biography books every year. Consequently, we are able to spend our book money for more sophisticated non-fiction and reference works than one might suppose, and still adequately supply the light fiction reader.

With the town's approval, our board sought and received federal aid for our downstairs room, which is

progressing well. Donald Booth, our contractor, has completely rebuilt the bulkhead and established a new entryway; this winter he is at work inside. Outside lights for those treacherous steps have been installed. In the course of this project, so many helping hands have been extended that one is hard pressed to even recall, let alone mention all of them. Pilgrim Fellowship helped "landscape" the bulkhead excavation, and two other separate groups of young people helped remove all debris from the cellar prior to actual work, all of these projects aided by the loan of various trucks and vehicles. We have promise of future aid when needed.

Two families, the Guertins and the Lees, have given sizable memorial funds towards this renovation, a fitting tribute to two townspeople who made such good use of the library in years past. In addition, a large cribbage board-table has been given in memory of Sabin N. Guertin, and a tournament will be announced as soon as several enthusiasts can arrive at a suitable schedule. Any ideas for a trophy? Gifts large and small seem to keep coming — all are very welcome.

Most purchases in the youth department have been in the classics field — often in Permabound editions — a form of paper back guaranteed for fifty circulations and displayed on a wire rack similar to those used in a book store. Realizing that any school library will of necessity be heavy in the nonfiction-reference sections, we hope to supplement this with the best available literature for youth in its most attractive form. Similarly, we have attempted to follow the tenor of the times in magazine subscriptions, Camping, Nature and Oceans being among our newest and most popular additions.

Our Friends of the Library have been even more active than usual, for this year our school service involved seventh and eighth grades as well as the lower six. Fortunately, our system was well established from last year so our efforts were primarily in the nature of

recruitment. At one of the statewide Friends' meetings Elkins Library was singled out as one of tremendous recent improvement — 1000% was our district consultant's estimate! Needless to say, our own Friends attending that meeting came away proud and pleased with our own hard working group.

All in all, Elkins Library is stretching to keep abreast of this fast paced new century — please come see for yourself!

Special thanks are in order for this past year to:

those faithful friends who staff the Library during the day when it is open specifically for Canterbury School:

Mrs. Gerow Brill — Grades 1 thru 4; assisted by
Mrs. Sargent Goodhue; with story-telling by
Mrs. Linwood Rogers
Mrs. James Williams — Grades 6 and 7
Mrs. Philip Ernst — Grade 8 and Band pupils' time;

Mrs. Robert Fife, that cooperative and enthusiastic chairman of the Friends of the Library, who sees that the Library is staffed on Tuesday nights, and to the friends who staff it;

Mrs. Quentin Hutchins, who shelved most of our 5900+ circulated books in 1969 and who keeps the Library looking its best;

Mrs. Kenneth Hutchinson for her faithful efforts in card filing and the endless cooperation of the Trustees.

REPORT OF THE CANTERBURY VOLUNTEER FIRE DEPARTMENT, INC.

The Fire Department made 17 runs during the year of 1969; 3 chimney fires, 4 grass fires, 3 automobile accidents, 2 automobile fires, 2 lost persons, 1 false alarm and 2 Mutual Aid.

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws folows:

Fire Permit

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be *prior to 9:00 a. m. and after 5:00 p. m.*

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the ranger Stations. Permits are not required in public camp or picnic gounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of $200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is $500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland maximum fine of $25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

ROBERT V. LEE,
Fire Chief
Forest Fire Warden

REPORT OF TOWN AUDITORS

We have examined the records of Town Treasurer, Town Clerk, Tax Collector, Trustees of Trust Funds, Road Agent, Elkins Public Library, Canterbury Volunteer Fire Department and the Selectmen for the year ended December 31, 1969 and have found their accounts correctly cast and properly vouched.

REPORT OF THE PLANNING BOARD

Since Town Meeting a year ago, the Planning Board has held regular meetings each month, in addition to two special meetings. Regular meetings are usually on the second Thursday evening of the month. They are held in the Selectmen's office at 7:30 P. M. Interested citizens are invited to attend all but executive sessions.

At the meeting in May, 1969, the Board voted unanimously to embark on the preparation of a long-range, comprehensive town plan in order to anticipate the many problems which will inevitably arise as the result of a rapidly increasing population. Many towns have already had such plans prepared by professional experts, and their value has been demonstrated. The Board felt, however, that the cost of a professional job would be excessive, even with financial assistance from the State and Federal governments. It was decided, therefore, to go ahead on a "do-it-yourself" basis, with the help of an expanded committee of townspeople, the State planning department, the Central New Hampshire Regional Planning Commission, and as much technical assistance from professional consultants as possible with funds that may be available.

Under the direction of the Board, a detailed population and housing survey was conducted in November by a group of nearly thirty volunteer citizens, to whom the Board and the Town owe a debt of gratitude. The results of this survey were tabulated and run through a computer by Mr. and Mrs. R. Peter Klein, to whom many thanks are also due. A preliminary report on the survey was the topic of discussion at the First Friday Forum in January.

Sub-committees are now at work on other phases of the plan and preliminary reports of progress will be

made from time to time. Financial assistance is being sought from New Hampshire-Tomorrow. Negotiations to date suggest that a modest amount may be granted from that organization provided the town itself indicates its interest in the project by voting a small appropriation.

As a member of the Central New Hampshire Regional Planning Commission, we have been represented at several meetings of this body by our appointed delegate, Col. Sabin W. Guertin. We believe it is in the best interests of the town to continue its membership in the Commission and we recommend that the small amount needed to meet our share of the current year's budget be appropriated. We have been advised that New Hampshire-Tomorrow will aid in paying the cost of each town's participation for this year, thus decreasing the expense to be borne by the town.

No sub-division proposals have been submitted to the Board for approval during the past year. However, some such developments in town are known to be under consideration. Proposed zoning regulations to be voted upon by the town of Loudon classify as "commercial" that portion of Shaker Road located in that town. This prospect underscores the importance of consultation and cooperation among adjacent communities.

The Board warmly thanks all those who have assisted so far in the planning project, and appeals to all interested Townspeople for future participation.

MINUTES OF THE CANTERBURY SCHOOL DISTRICT MEETING, MARCH 8, 1969

Polls opened at 6:45 P.M. closed at 7:30 P.M., opened at 8:45 P.M., closed at 9:00 P. M.

The meeting was called to order by the Moderator, Robert Lee. The warrant was read and the checklist attested.

A total of 81 ballots was cast on a checklist of 354.

ARTICLE ONE — Moderator elected, Robert Lee.

ARTICLE TWO — Clerk elected, Deborah Fifield.

ARTICLE THREE — School Board Member for one year, James R. Jordan, Jr., School Board Member for three years, Frank Hallin.

ARTICLE FOUR — Treasurer elected, Beverly Hugron.

The Moderator felt that Article 9 should be brought up before the other articles in the warrant and then return to Aticle 5 and the remaining articles.

ARTICLE NINE — To appropriate a sum of money for the enlargement of the elementary school including equipment and other related capital costs and to raise such sum by borrowing in the name of the school district under the provisions of the Municipal Finance Act and to take any other action in relation thereto (requires ballot vote with checklist and 2/3 majority to adopt).

Robert Lockwood moved adoption of Article 9 with the addition of the following resolution:

Resolved that the District appropriate the sum of $181,000.00 for the purpose of constructing and originally equipping and furnishing an addition to the elementary school and raise this appropriation by authorizing

the School Board to borrow in the name of the District the sum of $181,000.00 under the Municipal Finance Act, and, in addition to the foregoing appropriation, authorize the School Board to supply toward the cost of the project any available state or federal funds according to the terms under which they are received, as well as any interest received. (Requires ballot vote with checklist and 2/3 majority to adopt.)

Seconded by Charles Smith. The Moderator asked for the reports of the Study Committee and the reason for this article and the resolution. After the reports, the question was moved and the article and its resolution were duly passed by vote of 79 to 5, balloting with the use of the checklist.

ARTICLE FIVE — To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

It was moved and seconded that this article be taken up with Article 8 as part of the budget. Motion passed.

ARTICLE SIX — To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

George Kopperl moved that these reports be accepted. Duly seconded and motion passed.

ARTICLE SEVEN — To Choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

It was moved that we pass over this article. Duly seconded and motion passed.

ARTICLE EIGHT — To see what sum of money the district raise and appropriate for the support of schools, for the salaries of school district officials and agents, and

for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

It was moved that we take up this article item by item. Seconded and duly passed.

Item 490.2 — It was voted to increase this item by $315.00 to purchase an audiometer.

With the addition of the money voted in Article 8, the total appropriation was changed to $346,579.00. It was moved and seconded that this budget be adopted as amended. Duly passed.

ARTICLE TEN — To appoint a building committee to work with the school board and architect in developing final plans for the enlargement of the elementary school and in supervising the construction of the same.

Robert Lockwood moved its adoption with the following resolution:

Resolved that the Moderator be authorized to appoint a building committee of 5 members to work with the School Board and the architect in developing final plans for the enlargement of the elementary school and in supervising the construction of the same.

Duly seconded and motion passed.

ARTICLE ELEVEN — To raise and appropriate a sum of money to compensate the architect for preliminary plans and estimates on the proposed enlargement of the elementary school (to be acted upon only if article for borrowing is defeated).

It was moved that we pass over this article. Seconded and duly passed.

ARTICLE TWELVE — To see if the district will create an authorized regional enrollment area planning committee and to elect the members thereof or determine that they shall be appointed by the moderator.

Everand Young resolved that the Moderator appoint a committee consisting of three people to act on this area planning committee, one of whom is to be a member of the Canterbury School Board. This would cover both area and cooperative studies. Motion seconded and passed.

ARTICLE THIRTEEN — To transact any other business which may legally come before this meeting.

The meeting went on record for a vote of thanks to the study committee for the fine presentation that they gave tonight.

A rising vote of thanks was given to Skip Young for the excellent job he has done and also a vote of thanks to Mary Ellen Fifield for her excellent work.

Meeting adjourned at 10:30 P. M.

NANCY LILLY,
Canterbury School District Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the members of the School Board and Residents of Canterbury:

Canterbury may well be pleased with the new school addition and the complete school plant now available for the use of Canterbury pupils. This building should serve the elementary school needs of the community for a long time.

The Canterbury School Board and the building committee members are to be commended for their time, planning and effort on behalf of the children of the school district.

In spite of the building program, a maintenance plan was continued which saw two more classrooms painted as scheduled. This completes one cycle of a rotating plan for repainting annually a portion of the school plant. Attention is now to be directed to exterior painting, together with a certain amount of planting and landscaping.

Consideration is also being given to the need for additional playground equipment and plans are being made to install existing equipment which was removed to permit construction of the new classrooms.

It has been a pleasure to work with the School Board and the various committees in a cooperative effort to provide desirable educational opportunities for the pupils of Canterbury.

RAYMOND E. MORTON
Superintendent of Schools

REPORT OF CANTERBURY SCHOOL BOARD

Your school board takes this opportunity to invite you to visit and inspect facilities in the new addition before and after the annual meeting. Canterbury can be proud of this addition which we hope will be a worthy contribution for the education of the children of our town. We must recognize that children, as they are the future of Canterbury, are the most important factor and responsibility of our community.

We are indebted to the Canterbury United Community Church for the use of the Parish Building for Grades III and IV during construction. They were most generous and understanding, only charging us for expenses in connection with use of the rooms.

Prior to construction, the Board was fortunate to obtain Alexander Standish, chairman; Robert J. Hill and Everand Young to serve as a Finance Committee to investigate and recommend the handling procedure of the Bond Issue. Presently we have borrowed $170,000 from New England Merchants National Bank of Boston, Massachusetts on Bond Anticipated Notes which expire on June 30, 1970. The sale of the Bond Issue must be consummated on or before June 30, 1970 to satisfy this non-renewable note. By waiting for the inflation to break, our hope is to obtain a lower interest rate at the Sale of Bonds.

During construction we went through a very difficult and hectic period with noise, dust, and dirt which were disturbing elements for the teachers and children. The 8th grade returned from Tilton-Northfield to anything but ideal conditions.

Last May, Walter Lewis resigned from the Board as he had sold his home and was leaving Canterbury. Douglas Ruesswick was appointed by the remaining members of the board to fill the vacancy until the annual meeting.

In addition to our building program, our most pressing problem was an acceptable arrangement for our high school pupils. We have explored and/or studied the problem with Pembroke, Merrimack Valley, Tilton-Northfield and Belmont. Tilton-Northfield has argeed to allow present students to graduate from their school but with the reservation to recind this agreement in the event situations change by an unexpected influx of population. This will be a phasing out procedure, whereby they will not accept the 9th grade in September, 1970. On January 26th, the Board at Merrimack Valley agreed to accept our 9th grade in September, 1970 but with no further commitments unless their "middle-school" proposal is accepted at the annual meeting in March. The tuition rate would be $1.050 per pupil. The Board met with Belmont Board on January 27th, at which time they agreed to take our 9th grade and would study with us on a "long range" basis. Tuition would be $735 per pupil. This agreement includes the provisions that the 9th grade pupils will be allowed to graduate from Belmont, regardless of the outcome of the study which is to be made.

The Board wishes to extend its gratitude to all the teachers, committees, and persons who helped us so willingly this year, a heartfelt thank you.
